PROJECTS

Meet App, Personal Project | Nov 2023

- Developed React-based event display app (PWA) with Google Calendar API.
- Utilize test-driven development (Jest, Cucumber, Puppeteer).
- Integrated AWS Lambda for OAuth authentication. [live](#) [code](#)

CUB Film Data | Full Stack Application,

Personal Project | Aug 2023 - Mar 2024

- Established a MongoDB database to store movie data and user information.
- Developed a REST API with Node.js, Express, and Mongoose, ensuring seamless database interaction.
- Conducted thorough testing using Postman, deploy on Heroku, and design two single-page, responsive frontend applications (one with React, the other with Angular) for user account creation, library browsing, and saving favorites. [live](#) [code](#)

Other Projects: [Music Releases](#) | Art projects | Volunteering
Languages: German (native), English (fluent), Swahili (basics)

EMPLOYMENT HISTORY

Delivery Driver | Flaschenpost GmbH, Berlin | Apr 2020 - present

- Ensure timely deliveries and exceptional customer service in dynamic Berlin traffic.
- Operate vehicles efficiently, navigate traffic, and engage customers courteously.
- Achieve on-time deliveries, maintaining composure, optimizing routes, and upholding safety standards.

School Mentoring | ZEIT-Stiftung Bucerius, Hamburg |

Oct 2018 - Sept 2019

- Supported immigrant children integrating and transitioning to regular school classes, teaching German as a second language.
- Engaged students through interactive teaching methods and activities tailored to their linguistic and cultural backgrounds.
- Facilitated successful transitions, equipping students with language skills and fostering their integration into regular classes.

Music Talent Scouting | Red Bull Music Academy, Hamburg |

Jan 2017 - Sept 2019

- Encouraged top-tier musical talent in Hamburg to apply for global music seminars.
- Utilized industry insight and networking to identify promising musicians, providing personalized guidance.
- Elevated Hamburg's music scene internationally by increasing applications, showcasing adept talent scouting and mentoring.
